India's First Peer-to-Peer Skill Exchange Platform for Students

Community Onboarding Deck | 2025-26

Seekho Launching soon

By VISANET SOFTWARE PVT LTD

The Problem

College students have skills to share but no platform to exchange them.

No Way to Discover Peers

You never know the guy next to you
in class knows Python, guitar, or editing

Expensive Courses

Students pay thousands for skills their
peers could teach for free

Boring Traditional Learning

Classroom learning doesn't cover
practical, trending skills

No Community Platform

WhatsApp groups are chaotic. No proper space for skill exchange at colleges

Seekho solves ALL of this — for free.

What is Seekho?

A platform where students teach what they know & learn what they don't.
Think Tinder, but for skills. You match, you learn, you grow.

Smart Skill Matching

AI matches you with peers who have what you need

Real-Time Chat

Message your matches instantly.
Schedule sessions in-app.

Session Booking

Book 1-on-1 or group sessions.
Track your learning journey.

Aura Points

Earn reputation points for teaching & being awesome.

Rewards System

Redeem points for perks, badges, and recognition.

College Communities

Join your college chapter.
Attend events & meetups.

How It Works

Community Guidelines

We keep it real, respectful, and safe. Here are the ground rules:

✅ DO THIS

- 👍 Be kind, respectful, and inclusive to everyone
- 👍 Show up on time for your sessions
- 👍 Give honest & constructive feedback
- 👍 Represent your skills accurately
- 👍 Report any issues or violations you see
- 👍 Help newcomers feel welcome
- 👍 Respect everyone's privacy

🚫 DON'T DO THIS

- ⛔ Harass, bully, or discriminate anyone
- ⛔ Use Seekho for dating or non-learning purposes
- ⛔ Create fake accounts or manipulate reviews
- ⛔ Spam, scam, or promote unauthorized stuff
- ⛔ Share others' personal info without consent
- ⛔ No-show without cancelling sessions
- ⛔ Use the platform for academic dishonesty
